

Dear Colleagues,

We invite you to attend the ARCPATH Annual meeting. This will be held at the Nordic House in Reykjavik, Iceland, on Monday 14 October from 10 to 17.00 and on Tuesday 15 October from 9 to 13.00.

We plan to arrange a group dinner on Monday the 14th (where people pay for themselves). We will consider an informal working dinner on Sunday 13 October if there is interest.

We will plan for short updates on people's individual research (rather than longer presentations). We may also have presentations from members of the ARCPATH board who will be present and from representatives of the Arctic Centre in Barcelona.

We also plan to make time to discuss the comments of the NordForsk Scientific Advisory Board on ARCPATH. ARCPATH PIs have seen this. We will shortly make this available to all ARCPATH members.

For those who cannot attend the meeting we will make arrangements to make sure you have an opportunity to be included in the discussions.

We suggest you book your accommodation as soon as possible. FYI the venue is near the main University of Iceland. The local organisers (Astrid and Níels) will be happy to advise you regarding accommodation.

Best wishes,

Astrid, Yongqi and Kjetil
